FIP Literature Commission Report 2025

We are pleased to present the FIP Literature Commission report for the year 2025.

In the year 2025, three major philatelic exhibitions highlighted the growing strength and continued development of philatelic literature.

At the Uruguay 2025 FIP Specialised World Stamp Exhibition, a total of 53 printed literature exhibits and 11 digital literature exhibits were displayed.

At Europhilex Birmingham 2025, an FIP Recognition Exhibition, the response was even stronger, with 81 printed literature exhibits on display and 35 digital literature exhibits.

In the second half of 2025, PHILAKOREA 2025 World Stamp Exhibition was held in Seoul, Republic of Korea, with total of 88 literature exhibits.

The Bureau received a suggestion from its delegates to conduct an FIP Qualifying Seminar on Literature Philately in the upcoming FIP exhibitions.

We have secured a slot for this seminar on 7 February 2026, to be held during the Dubai 2026 World Stamp Exhibition, and have requested the FIP Board to grant FIP Qualifying status for the seminar.

In preparation, the Literature Commission Bureau will hold a Zoom meeting on 20 January 2026, with the FIP Qualifying Literature Seminar at Dubai 2026 WSE as a key agenda item.

The Literature Commission continues to publish its Newsletter twice a year, in June and December. The newsletters are available for download from: <https://literature.f-i-p.ch/newsletter/>
